References External links Category:Music software plugin architectures All Amenities in Your Virtual Office We've streamlined the typical process of creating a virtual office and sent out hundreds of new signs that say "Agent, " "Realtor," or "By Appointment Only." It's that easy. You can submit your business on Sezon or Practice Coach within 5 minutes. The Good Guys Have the Goods We try to choose each individual realtor carefully. They all come with it's own website and all have the same Great Client Experience. We have folks who handle telephone calls. We have great video marketing. We have great and good quality outbound marketing materials. And we have a positive reputation that is earned every day by all realtors who choose to work with us. We also have a National Reputation

---

that we've been able to build since 1988! You will be part of our thriving Real Estate Team that boasts a Great Client Experience and a Great Reputation! What can you expect with our Real Estate Marketing Team: Realtors On The Ground Local market analysis, targeted marketing, and local market reports that show you why an up to date consumer target market is an ideal realtor for your market area. Constant Retargeting Running a business is not just about consistently attracting and converting new clients, it is also to constantly maintain those clients. We provide our realtors constant retargeting. Video Marketing Produced from your real estate website or practice coach website! It's professional, it's catchy, and it's a great way to drive revenue without wasting a dime of your marketing

---

budget. Consumer Reports on your website  
We have our own research division. They  
put together monthly consumer reports for  
your products and help you determine what  
you should do to help your clients and  
improve your business. What else can we do  
to help you increase your business? We can  
provide you with consumer reports on your  
competitors. Or we will provide you with  
consumer reports on what your site is doing  
right and what it's doing wrong. We can  
help you add video to your websites and  
provide user experiences that your clients  
are interested in. We can provide you with  
testimonials that you can use to be able to  
send this to your clients. We can provide  
your with evidence of consumer reports that  
you can send to your clients.
